STOP PRESS

Please note **Cycling is now every Tuesday**, not every other one; **Improving Fitness** has closed; there will be no further **Cookery** classes at the Howard until the autumn.

Following on from Peter Tallon's initiative reported in the last Bulletin we are holding a Workshop on 28th March on "The Future of Horsley U3A". If you would like to participate please contact Clive Smee (clivesmee@hotmail.com).

The inaugural meetings of three new groups have been held and there is encouraging support for them all:

- The 'Explore Local Towns and Villages' group recently visited Godalming and already have other visits planned. The visits will be on different days each month so as to avoid as many clashes with other groups as possible. If you want to join this group please contact Sue Mills (susanmills84@tiscali.co.uk Tel: 283657).
- The organising committee of the **Antiques** group will shortly be sending out a questionnaire to all their members to establish priorities for the year ahead. If you want to join this group please contact Tony Jones (secretary@horsleyu3a.org.uk)
- Our **Money Matters** group is also up and running and members have already been asked to indicate the subjects they hope will be discussed. These include 'finding out the best way to save money', and 'setting up a virtual investment portfolio'. Meetings will be monthly and if you wish to join please contact Bill Hewlett or Mike Gilbert (mlwgilbert@talktalk.net Tel: 284813).

Many of your current Committee come up for re-election at the AGM in May. Some, including your Chairman, are leaving the Committee. Please do start thinking about who you might wish to nominate. Nominations have to be sent in writing to your Secretary who you should consult first. In particular we will be looking to find a Chairman and Vice Chairman.

The next theatre trip is on 10th April. We are going to the National Theatre to see "A Small Family Business" by Alan Ayckbourn. It will be a Thursday evening performance. £42 a ticket. Please send cheques (payable to Horsley U3A) to: D. Smee at Appletree House, Ockham Road North, KT24 6PU
